Dear Campers and Parents:

It is with great enthusiasm that I welcome you to the fifteenth edition of the William Paterson University Instructional Basketball Academy. Last year's summer camp was one of our most exciting and competitive. Every session was **sold out**, so do not miss out on this great chance to **improve your skills**.

During the past sixteen years as Head Coach of William Paterson University, we have been to seven NCAA Tournaments, including two trips to the Final Four, and we have won four Conference Championships. We also have developed **Five All-Americans** including former NBA player Horace Jenkins and Luis Martinez. We will provide and teach individual improvement drills to all campers. The drills that we will demonstrate and teach are the same ones that we currently uses with our team.

The formula for success is simple: we provide **individual attention, repetition and team play**. Your son is not a number. We offer your son the opportunity to improve by the weeks' end.

Enrollment is limited to the first 100.

All sessions will be held at William Paterson University in our **air conditioned** home arena.

For further questions, please do not hesitate to contact us at 973.720.2170. I look forward to seeing you this summer.
