Dear AAU Member,

The bulk of AAU emails relate to specific AAU information such as tournament schedules, registration materials, and results. Periodically, we send out sponsor-related info to our membership - this keeps costs low.

With the help of our sponsors, the AAU is able to keep its operating costs to a minimum. In turn, we are able to continue to offer you the very low youth membership fee of \$12.00 an athlete - that's 37 sports at just \$0.32 per sport a year! So please take a moment to read the following email.

We appreciate your continued participation in AAU and look forward to serving you in the future.
